

Bryant Smith, Creative Technologist

I am a fullstack dev helping designers build their **wildest dreams**.

Together, let's create something that stands out—
and has your users saying, "woah."

Strengths

- Building **challenging** designs
- Interactivity, motion, multimedia
- High craft, boundary pushing
- Communication, ownership & **collaboration**

Awards

- 🏆 STA100 (x4)
- 🏆 Type Director's Club
- 🏆 Webby
- 🏆 Webby for Good

- **Video** - Adobe AE, PR
- **Audio** - Ableton, Max/MSP

Clients

 **Handshake**

TYPEFORCE

 **UNIVERSITY OF ILLINOIS**
URBANA-CHAMPAIGN

 **ILLINOIS INSTITUTE OF TECHNOLOGY**

Experience

7 years collaborating with best-in-class designers to build award-winning projects. Consulted during design & ideation phases, prototyped, project-managed, communicated with clients, & wrote the code. Deved solo and on teams (including senior duties). Owned full builds, but also contributed to ongoing legacy projects.
